Memo

Petition No. 1982 of 1889
from Rai Bahadur
Syed Gowdha Khatri
of Balia Boodengeri,
Chikmagalur Taluk,
Kadur District.

Kadur Deputy
Commissioner's Report on
the subject, Letter
No. 501 of 3 February 1890.

The Petitioner
11 June 1881. complained to the
Dy Commissioner that
during the Coffee
Settlement of Bindu-
gada Nagari, he
requested that Survey
No. 53 measuring acres
111-26 of Nagankulli
village should be
treated as his Inam
land.

land; and that he was
 then told his case
 would be disposed
 of by the Insam Dept;
 that in the Survey
 Map prepared in
 the year 1861, Nagam
 hulli village was
 also included as
 Insam and the map
 was submitted to
 the Commissioner with
 all the records con-
 -nected with the
 subject on the 3rd
 July 1872 with
 Docket No. 189; That
 this Insam was in
 his enjoyment for
 the last 700 or 800
 years; that the Insam
 Rules distinctly state
 that

that when a person is in enjoyment of land for 50 years, the land should be confirmed to the enjoyer though he has no sumud for the same.

In the Memo: dated 5 Novr 1881 prepared in the Chikmagalur Taluk it is stated that the Survey No. 53 stands in the name of the

Absulahi Saibee 5 acres	Khadri and the	
Bulugai Mootta - 5 D.

Iyer Mohadun - 3 D.		4 men were culti-

		of it and these 4
		men solicited that
		Putlubs for these lands
		might be issued

in their name - On
 this, the Dy Commr.
 passed the following
 orders. " If this
 land is Gow Shah
 Khatri Khan Baha-
 -dur's ~~land~~ Inam,
 Govt levies no
 Kundayem, and
 the claimants can
 settle the matter
 with the Inamdar -
 If the land is not
 Inam, but the claimants
 bought land and
 if the Pattadar is
 Kabulee to the Sale,
 it may be measured
 into separate numbers
 and pay Kundayem

to adjustment after
survey -

The Dy: Commr.
No. 826 of 77 hon/81 requested the Inam
Superintendent to
inform him whether
the Survey No. 53 in
the Hagenbulla Village
is Inam or not; and
stated that Gouse
Shah Khassri claimed
it as "Surva Inam"
but produced no
Title Deed in support
of his claim, and
that as the No. in question
is a Coffee Number
on which Kundayem
has to be paid and
levied and as the
settlement of the
Bundayay Magani
is now in hand,
the

the Deputy Commr.
requested an early
reply. and also
forwarded the Gows
Sha Khadree's petition
for information.

The Inam Superin- No. 149 of 14 Nov 1887.
-tendent replied
that as the Inam
to be hereafter con-
firmed to the Psti-
tioner will depend
chiefly upon the
old boundaries
of attijundi as now
recognizable, his
claim to land situ-
-ated in a village
of quite another
Taluk should not
be entertained for
a

that the land in question is held on the same terms as the lands of Dattatri Pitt, the same terms should apply - ^(the Petr himself) He however states that the land belongs to the village of Surgupi and not to Dattatri Pitt and under this circumstances the land No 53 is Govt. land.

16 July 1889.

The Petitioner submitted his Petition to the Dy. Commr. stating that the Munsif Sup^{te} had given him an order that the matter of his claim had been referred to the Dy Commr for decision

and that he had
 therefore petitioned
 the Dy Commr. praying
 that the lands in
 dispute which
 contained building
 sites, graves, makans
 & ^{ca} clearly indica-
 -ting that the lands
 belong to the Durga
 might be personally
 inspected and a
 just decision
 passed after ex-
 -amining all the
 documents + records
 in the Pet's possession.
 Thereupon the Dy:
 Commr. in his letter
 wrote to the Muzam
 Superintendent to
 the

grounds will clearly
 show that the land
 has been enjoyed
 as Inam attached
 to the Makkan, for
 the past 400 years;
 (a) In the Survey
 the disputed land
 is shown as Suru-
 -gupha Makkan and
 it is publicly known
 from time immemo-
 -rial as "Jannath Nagar"
 or "Galurana Khan."
 (Bamboo jungle) - at
 a distance of only
 $1\frac{1}{2}$ Furlongs from
 the above is situated
 Dhuttatri Pitt - Janna-
 -th Nagar means the
 grave yard of Saints.
 It does not mean
 a separate village
 or hamlet -

(6) During the
administration of
the late Maha Rajah
a claim having
been set up by
the then contractor
of the Govt Coffee
gardens to the
coffee produce of
the disputed lands,
His Highness the late
Maha Rajah on the
representation of
the Petitioner's father,
constituted an enquiry
and passed an order
dated Mafha of the
year Survadharee
(1828-29) to the address
of the Amildar of the
then Sacroyputam
Taluk

No. 189 dated 3 July 1862.

In an Order No. 282 sent by the Kador Dy Commr. to the Lucknulli Taluk Amildar in 1876 regarding the said maps, Jannath Nagar & ca are alluded to as Inam lands.

(E) That the said Amrseer in 1861 wrote to the Petitioner a Yadee of 5 June 1861 asking him to send Potails to point out the boundaries of the Inam lands Jannath Nagar & ca -

(F) That from the survey of the Coffee lands made in 1860 the existence of the Inam

Inam lands Jammath
Bazar ~~for~~ can be
ascertained -

(G) That in the
Pahani account
of 1860 and also
in many Khamesh
accounts, Jammath
Bazar is mentioned
as Inam.

(H) That upon a
misrepresentation
of a Potail the
houses built on the
Inam lands of
Jammath Bazar by
the servants of the
Durgah had been
improperly assessed
with Mohaturpatay
upon the complaint
of

of the Petitioner, the
 Chikurunglum Taluk
 Amildar wrote Gadi
 No. 230 dated 24th
 April 1873 to the
 Petitioner intimating
 that the tax had
 been cancelled.

4. That in the said
 disputed land No. 53
 there are Muggid,
 Musafekhana, houses,
 Gardens &c. now
 in existence as per
 Map herewith submitted.
 These facts prove that
 Survey No. 53 is our
 Inam land; That
 under the Inam
 Rules, the lands en-
 -joyed as Inam for

50 years and repairs
cannot be resumed.

The Petitioner
submits copies of
several documents
to prove his points -

(Note) In the Pukani
account of 1861, it
is stated that
Jumruth Nagus is
~~and there~~ an Inam
attached to the
Baker Borden Hill -

Precis of papers containing additional information called for in paragraphs 2 and 4 of the decision in Appeal Civil No. 1826 of 20 November 1889.

Appellant.

Syed Feroz Shah Khatri
of Bababuden Darga

As directed in the above the Superintendent of Quas was requested in this office No. $\frac{7106}{P.32}$ of 2^d September 91 to furnish information on the following points:—

- (a) Whether it is true that there exist a mosque and tombs in the tract (no. 53) claimed and that they have been in possession of the Petitioner.
- (b) Whether it is true that Petitioner has had possession and enjoyment of the land claimed and if so, in what manner. Have the land been cultivated and enjoyed by the Petitioner free of tax and if not, what is the sort of enjoyment, which the Petitioner states he has had?
- (c) Is it true that the land claimed is known as "Jinnat Rajat" by

refute?

23.

(d) Do the accounts of Hafenhalli show that the tract claimed forms part of that village to exclude the presumption that it was ever regarded as part of Sivappa?

Also the exact area and extent of the land claimed, and how much of it is now cultivated and how much is waste and how its produce is now enjoyed.

The Superintendent of Mysore referred the matter ⁱⁿ with his no. 42 of 24th October 91 to the Dy. Commissioner, Kolar District, who in his letter no. 1229 of 2 February 92 directed the Amildar, Chickamagalur Taluk, to Enquire and submit a detailed report furnishing replies to the queries propounded in clauses (a) to (d) of para 2 of the above decision.

The Amildar having inspected the lands in dispute in company with the Appellant and village officers on the 17 February 93 and having taken down the statement of the Appellant and also examined such other persons as seemed able to throw light on the

to Submit the information above
referred to.

In reply the Superintendent of
Survey in his No. 53 of 26th July, 93 has
furnished the following information

Survey No.	Coffee	-	Kharab	-	Total
53	-	98-10	-	5-12	- 103-22
138	-	8-4	-	"	- 8-4

Total 106-14 - 5-12 - 111-26

With the remarks that the figures
may be taken as correct and tally
with those given by the Dy. Commis-
sioner with the exception of a difference of 4
Pulās more shown as Kharab by
the Dy. Commissioner, that Survey No.
53 and 138 both appear in the Akhar-
band as Kharab, that the former is
waste and the latter cultivated and
that the Dy. Commissioner's letter
No. 1334 furnishes the other in-
formation called for.

Under all the
circumstances of the
case, I would propose
to leave as shown
to the Darya on half
assessment. This case
however must go to the
Dewan for final
orders. - L.P.

Appeal Petition Regd No
 1826 of 20th November 1889

Appellant: Khan Baha
 - our S. 53 shows Shaikh

This is an appeal
 against the order of the
 Mam. Sup^t refusing
 to recognize the Appellant's
 claim to Survey No. 53 of
 Rajenakalli as ~~inland~~
 The Appellant alleges
 that the lands claimed
 formed part of his Mam
 village Surupppe ~~and~~
 that they have been in
 his possession ~~and~~ that
 there are some tombs and
 a mosque in the land
 claimed and that the
 said land had always
 been known as jinnat
 nager.

The case was heard in
 Council in September 1891

by the Honble Mr. Chentia
 Rev Pantaleon and
 Mr. Theimbro Bhetiger.
 No final orders were then
 passed. The Govt. however
 observed as follows:-

" There is nothing to
 show that the tract claim-
 ed formed part of Surgutte.
 On the contrary, the pre-
 sumption is otherwise,
 as Surgutte is admitted to
 be a distinct village and
 its lands are not contiguous
 to the tract claimed. The
 latter fact however is not
 conclusive evidence that
 the land did not form
 part of Surgutte; as in
 the former days it was
 not unusual for the
 lands of one village to be
 scattered in different villages.
 As to actual possession,
 no evidence appears to have
 been taken."

With the above observation
 the Govt. requested the
 Supt. of Inams to state

no. 7106 of 21/8/91
 P32

till the settlement of Inam
to Ghansha Khadri", and
that they remained "as
such up to date -

The Inam area ~~was~~

~~was~~ of the Inam
claimed by the Appellant
is as follows:-

S. no	Coffee	Kharab	Total
53	98-10	5-12	103-22
138	8-4	"	8-4
Total	106-14	5-12	111-26

The Deputy Commr. report
that he has ascertained
to be Ginnat nager is state
to comprise two survey no.
53 & 138 of which the portion
comprised in no. 138 is under
cultivation, that the present
holder of no. 138 was paying
"Pancher wantige" to the
appellant till the number
was surveyed and measured
by Govt., and that he
has not paid since then
anything to either the
appellant or the Govt.
No information regarding
the assessment of the Inam
claimed has been received

On receipt of the
above information the

reason for this is that the

No 852 of 6th August 1889.

With reference to corres=
pondence ending with your
letter No 598 dated 14th
November 1888, regarding

Survey No 53 of Nagenhalli, Chikmagalur Taluk, I have the honor to state that your decision declaring the land to be Government was communicated to the Khan Bahadur.

2. But on the strength of your Vernacular order No 195 dated 8th July 1889 to the Amildar of the Chikmagalur Taluk (copy enclosed) the Khan Bahadur has now applied to me as Deputy Commissioner specially empowered to settle the coffee lands belonging to the Bababuden Durga, to reverse your decision and to decide that the land called Jimmat Nagar, Galuvinkan, is Inam belonging to Jahaghir Sarguppi.

3. The case is however a question entirely for the Inam Department & beyond my power to decide especially after the decision conveyed to Col. Campbell in

Your

your letter No⁵⁵ 598 of 14th November 1888.

4. As intimated in this Office No⁴⁹³ of 24th June 1884 the land is not in any way connected with the Bababuden Barga Coffee Chaim lands except that claimant is the Makandar being situated in the village of Naginhalley on quite another slope of the Hills.

5. I therefore request the favor of your communicating your decision to the Khan Bahadur direct at an early date, as otherwise he will not be satisfied that I cannot interfere in the matter.

6. The Khan Bahadur's Petition together with a list of references is enclosed.

Sir,

In reply to your letter No^o $\frac{8583}{114}$ dated 19th October 1890, I have the honor to state that Mr^r Gonschakhadri K. B. has produced no further evidence than that which has already been furnished along with his appeal petition to Government in support of his claim as Inam of Survey No^o 53 in Naginahalli village, Chickmagalur Taluk. (vide the correspondence ending with Amildar's report No^o $\frac{1340}{428}$ dated the 5th ultimo herewith submitted), and to add that the grounds on which the No^o in question was decided by me as Government land can be seen from my letter to the Deputy Commissioner, No^o 149 dated

dated 14th November 1881 filed with the
said correspondence.

2. It is evident from the record —
that the land in question is situated
within the boundary of the Sircar village,

Appellant.

 represented by Mr.
 Advocate L. Srinivasengar

Decision. of 11-9-91

Is?

This is an appeal against the order of the Inam Superintendent refusing to recognise his claim to a certain tract of land in Nagenhalli as Inam. Petitioner has no documents to support his claim. He states that the lands claimed formerly formed part of his Inam village Surguppe and that they all along have been in his possession. He adds that there is a mosque and some tombs in the tract claimed, and that the tract has always been known as Jinnat Nagar.

2. There is nothing to show that the tract claimed formed part of Surguppe. On the contrary

contrary. the presumption is otherwise, as Surguppe is admitted to be a distinct village and that its lands are not contiguous to the tract claimed. ^{latter fact} This however is not conclusive evidence that the lands did not form part of Surguppe, as in the former days it was not unusual for the lands of one village to lie scattered in different villages. As to actual possession, no evidence appears to have been taken. The Superintendent of Inams will therefore be requested to state:—

- (a) Whether it is true that there exists a mosque and tombs in the tract claimed and that they have been in possession of the Petitioner
- (b) Whether it is true that Petitioner has had possession and enjoyment of the lands claimed and if so, in what manner. Have the lands been cultivated and enjoyed by the Petitioner free of tax and if not, what is the sort of enjoyment which the Petitioner states he has had?
- (c) Is it true that the land claimed ^{is known} is known as Jinnat Nagar by repute?

(d) Do the accounts of Nagrinhalli show that the tract claimed forms part of that village to exclude the presumption that ^{it was} ~~they were~~ ever regarded as part of Surguppa?

3. If the enquiry shows that the lands have all along been enjoyed by Petitioner, though without documentary evidence, it will be a matter for consideration whether the land claimed may not be confirmed as Inam on half assessment - the rate applicable to invalid Inams.

4. The exact area and assessment of the Inam claimed, and how much of it is now cultivated and how much is waste, and how its produce is now enjoyed, should be stated.

5. The Petitioner will be directed to appear before the Inam Supt.

Appellant—Mr. Syed Ghouse Sha Khadri, Khan Bahadur (since deceased), represented by his nephew Syed Mityuja Sha Khadri, by Advocate Mr. B. Sreenivas-iengar.

Subject.

Appeal against the order of the Inam Superintendent refusing to recognise the appellant's claim to Survey Nos. 53 and 138 of Nagenhalli village, Chikmagalur Taluk, as Inam forming part of the appellant's Inam village of Suraguppe.

Facts of the Case.

At the coffee settlement of 1881-82, Survey No. 53 of Nagenhalli village (since formed into Survey Nos. 53 and 138) was left undisposed of pending an enquiry into the validity of the appellant's claim to certain lands as Inam. In 1889, the Inam Superintendent decided that the lands belonged to Government, as the lands were not contiguous to the Inam village of Suraguppe and as the appellant had no documentary evidence to substantiate his claim. The appellant having appealed to Government, and represented that these lands which were locally known as Jinnat Nagar had always been in his possession and that there were some tombs and a mosque thereon, the Inam Superintendent was requested by Government in their Decision dated 11th September 1891, to report on these allegations. The report of the Amildar (P. Sreenivasa Rao), who made a local enquiry, makes it clear that the appellant's representations are true.

Decision.

Government have gone over the case carefully and come to the decision that the land in question (Survey Nos. 53 and 138 aggregating 111 acres and 26 guntas) forms part of the Darga Inam. The question of quit-rent to be imposed will be referred to the Superintendent of Inams for settlement according to Rules.

the Petitioner therefore
appeals to this Office
on the following
chief grounds.

1. That the Inam

the land as Govt.

that the disputed
lands have been
in the enjoyment
of the Dargah for
the past 90 years.

(C) During the

On the 27th March 93 the Dy. Commr.

observed as follows: -

(a) that there do exist a mosque and

(b) that the appellant had enjoyment
according to his statement in having
once had some land within no. 53

Note: no portion of no. 53 is now

(c) that the land comprised within
the boundaries of nos. 53 & 138
is "Jinat Hafar" by reputation

(d) that the accounts show that
the tract claimed forms part
of Hafar Ahalli and not of

25.

The Dy. Commissioner further added that the tract ascertained to be "Jamat Nagar" was stated to comprise two Survey Nos. 53 and 138 measuring in all 111-26 acres, of which No. 138 was under cultivation, that these two numbers were kept in account at the Coffee Settlement and they remain so till now, that the present holder of No. 138 by name Wahab Sab had been paying "Kacher Wanti" to the appellant till the number was surveyed and measured by the Government and that he did not pay the same either to the appellant or to the Government as the land was not brought within the operation of Coffee Settlement.
